

HINGED & ANTERIOR CLOSURE KNEE

Reinforced hinge pockets for improved wear.

Standard and anterior closure models available.

45, 60, 75, 90 degree flexion and 0, 10, 20, 30, 40 degree extension stops included.

Aluminium polycentric hinge allows contouring for better patient fit and control.

Available in both Standard (7 sizes) and Anterior closure styles (6 sizes).
